ABOUT ME

I'm Jesús Maldonado, a dedicated and adaptable individual who thrives on responsibility and simplicity. Connecting with people genuinely is my forte, and I can easily adjust to any environment. Programming is my passion—it's fun, and I can spend hours immersed in it. I enjoy diving into new experiences and overcoming challenges, often finding relaxation in video games, a good book, or the magic of music. Quiet, meaningful plans are my favorite. Loyalty is paramount in my relationships, and I always maintain a positive attitude, spreading good vibes wherever I go. In essence, I'm a versatile, responsible person who loves exploring, coding, and cherishes loyalty above all

WORK EXPERIENCE

[01/2023 – Current]

Freelance

City: Barranquilla | **Country:** Colombia

Next.js and React.js specialist with a focus on front-end development and UX/UI optimization. I have worked with several companies in the creation of interactive dashboards, reusable components and modern web applications. Expert in Tailwind CSS and in the integration of services such as Clerk, OpenAI, Stripe, among others. Advanced handling of Supabase (PostgreSQL) and modern database technologies such as AstraDB, SurrealDB and MongoDB.

Electronics engineering consultant

COVEIN Speed, Growth & Control

City: Barranquilla | **Country:** Colombia

Responsibilities and Key Achievements:

Maintenance and Inspection:

Perform maintenance and overhaul of frequency inverters, ensuring operational continuity and minimizing downtime, as well as programming of logic controllers.

Sales and Technical Consulting:

Successfully managed customer requests by providing detailed technical advice and formulating personalized offers for maintenance services and the sale of Danfoss equipment and instrumentation.

Customer Management:

I maintained strong relationships with customers from different areas such as food, metallurgical, chemical treatment, shopping malls and corporate, understanding their needs and providing solutions tailored to their requirements, which resulted in a significant increase in sales and customer satisfaction.

Coordination and Operational Efficiency:

Collaborated closely with internal departments to ensure operational efficiency in project execution, from customer requests to the final delivery of services.

My experience at COVEIN strengthened my technical skills and sharpened my ability to manage customer relations and drive sales. I'm eager to apply my expertise to new challenges and contribute to a new team's success.
